Dear Jerry;

I received your letter a couple days ago. There is a couple of things I would like for you to do when you come down. One I want to sign the power of attorney over to you, it's just a one page document giving you the right to sign anything for me with my name, I guess you could get me from a notary and sign it there I would sign it and just take it to you. Also when you come down I would like to have you sit and talk with Dr. Lucy, for a while. Let me explain

and ask him to give you any information he has on the limits of an Alabama attorney practicing in Tennessee, I assume as if you from Alabama you can just file one case a year by law and I might help to have a Tennessee atty for the other committee hearing. I would ask Mr Howe about this but he is in cali visiting sisters and I don't know when he will be back. Well I guess That all for now, Take it easy. Jim

P.S.
I still like Bar association is limited in the criminal court Bills.
